

**Family Business  
Australia**

## **What did attendees like about the Family Business Directors Course?**

*"The integration of the business legal requirements with the family issues to ensure smooth governance when you get it right"*

*"Balance of business versus family obligations and responsibilities"*

*"Reinforcement of major points 'golden' nuggets at the end of each session"*

*"Presentation by a best practice family business"*

*"All aspects - content, case study, visit by family business, interaction with other families and their stories"*

*"Comprehensive, relevant"*

*"Focused on the relevance of being a director in a family business"*

*"The balance & mix of business and family issues"*

*"Well integrated between family specifics and corporate director requirements"*

*"I liked the relevance to a family business. I particularly enjoyed the presentation by the family business. The course has given me great insight into how the family and business can 'fit together' better"*

*"The content, presenters and speakers were excellent"*

*"The exchange of knowledge and participation of all present"*

*"Fantastic resource folder"*

*"It is unique and effectively meets a widespread sector need"*

*"It covered relevant issues at an appropriate level"*

*"Providing structure & framework to work towards"*

*"The relevance and application of theory to my family's business. The intimate forum."*

*"It clarified what I and the family and business have to do. It gave me a starting point."*

*"Divisions of first business specific, then family dynamics"*

*"The fact that it identifies and promotes the family business sector"*

Walking the fine line –  
how to be an  
effective director **and**  
a responsible family member
