

## Learn How

## Increase Profits with Less Work

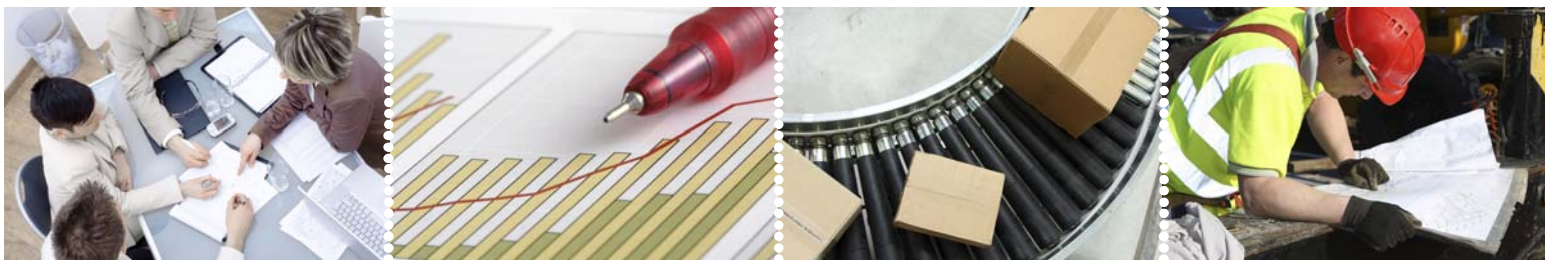

### Family Business Training Workshop: Value Stream Mapping

Essential learning for any family business which needs to... 

- **Minimise** the impact of economic downturn by **reducing costs**
- **Increase profits** with less work & **minimised waste**
- **Optimise** labour productivity
- **Reduce** downtime & change over delays
- Enhance **future growth potential** with a continuous improvement culture 

This is an interactive workshop where participants are encouraged to discuss 'real world' examples. Your examples will be discussed throughout the workshop as a basis for creating industry relevant solutions for your family business.

# Workshop Outline

## Value Stream Mapping

1. What is LEAN?
2. What are the 7 key wastes?
